## Declaration

**Product: Band A condensing boilers mod. RK 25, RKR 25, RKA 25, RKA 100**

**Flue Kit AK50 – Part No. 82109LP**

We confirm that the maximum permitted length (linear length) for the use of above mentioned horizontal/coaxial flue kit and adequate accessories is 10 metres (horizontal installation) or 9 metres (vertical installation – in this case the use of a condensate siphon is required).
